### Our Company

Canadian Quality Inspections is a Winnipeg, Manitoba based CSA W178.1 certified Welding Inspection Organization, with branch office in Brandon, MB. We provide quality control, quality assurance, visual inspection, non-destructive weld & coating testing for pressure piping, pressure vessels, structural steel, mobile cranes, industrial equipment and manufactured items.

We are committed to long-term investment in training, development and advancement of our employees, in order to provide the best inspectors available in the industry. We have developed company-specific training plans to encourage our employees to develop and excel in their professions.

We have multiple ongoing opportunities available for candidates with the following background:

<b><u>Position:</u></b>	<b>CGSB – NDT Level 2 Technician / CWB 178.2 Level 2</b>
<b>Methods:</b>	<b>MT, PT, UT, RT, ET / Visual Inspection</b>
<b>Term:</b>	Permanent full-time and Contract
<b>Location:</b>	Winnipeg and Brandon, Manitoba
<b>Standard Hours:</b>	8 hours/day, 5 days/week
<b>Salary:</b>	Negotiable, depending on experience
<b>Start Date:</b>	Immediate
<b>Benefits:</b>	Disability, Health & Dental coverage, Pension Plan, dedicated training budget, company vehicle, etc.

Successful candidates will have CGSB and CSA W178.2 certification (or equivalent) with documented experience related to fabrication, quality assurance, inspection and non-destructive testing of welds.

Interested candidates are requested to email qualifications to:
